MEMORANDUM FOR: (See Distribution)

FROM : Robert M. Gates

Deputy Director for Intelligence

SUBJECT : Establishment of the Foreign Intelligence

Capabilities Group (FICG)

Effective today, I am establishing the Foreign Intelligence Capabilities Group (FICG) in the Collection Requirements and Evaluation Staff. The FICG is established to overcome shortfalls identified in recent Community papers, including the DCI's Guidance for the Formulation of the National Foreign Intelligence Program for FY 1984-88, the Executive Director's Guidance on the FY-84 Program, and the 1985 Capabilities Study. The group will serve as the focal point for the planning and coordination of the Intelligence Directorate's research and analysis on the positive intelligence capabilities of foreign intelligence services. These will include, specifically, their collection, processing, and analysis capabilities. It will also serve as the directorate focal point for coordination with counterintelligence elements of other directorates and agencies.

FICG. He will be located in numbers are	is appointed as the Chief of Room 2F42, Headquarters. Phone
